Nutrition Times a Melon

For a sweet taste of summer that's healthy, too, load up your plate with melon. Cantaloupe, honeydew and watermelon are full of nutrients, including vitamin C and potassium. Thanks to the fruits' natural sweetness and high water content, snacking on melon is a great way to quench thirst and stay full without excess calories or sugar.

Cleaning Made Easier

Are you ready to hear a weird but grand cleaning hack? Use dish soap and a broom to clean your bathtub. It works surprisingly well! The broom's long handle is useful for those with limited mobility or sensitive knees, and the strong bristles work with the soap to loosen soap scum and other tough stains.

Brainteaser
